HOW TO BOOK MULTIPLE APPOINTMENTS:
THE SECRET TO PATIENT CONTROL

CA: Betty, I’d like to tell you how we run our appointment book. We book all patients for a month at a time to reduce waiting at the front desk. It also ensures that you have a session with our massage therapist prior to seeing the doctor.

Pt.: Okay, I would like M, W, F at 10:15 if that’s available.

CA: Yes, let’s book that out to January 3rd. We also book your re-evaluation dates at 30 day intervals. Let’s put those in as well.

Pt.: Great

***If the doctor does not expect much change in the first 30 days, he may recommend the front desk CA schedule out 2 months.
